WHAT WOULD THEY HAVE ME LEAVE OUT?"**

BUDGET

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

"What would they have me cut? What would they have me leave out?"

We are glad you asked, Mr. President.

A Mountain Biker's Delight

Eugene, OR is spending \$1.2 million from the American Rescue Plan to:

"...create a whole network of trails and a skills park — additions that will draw and delight mountain bikers from across the region after many years of expressing desire for such an area."

Got that? Funding supposedly meant to address the *recent* pandemic is going to address a *long-standing* desire of the local mountain-biking community.

Of course, the American Rescue Plan is no stranger to trail building – having left behind a massive trail of waste, fraud, and abuse itself that we've been cataloging for the past 500 days and counting.

Stay tuned for more.
